Mayor's Update

Saturday, April 8th at the Wichita Force Indoor Football Game, the Colwich Grade School performed the national anthem, Andre De La Torre threw out the first football and the arena was filled with Colwich residents. The Force beat the Phantoms 48 to 31, Andre got to keep the football he threw out and fun was had by all in attendance. The management of the Wichita Force was so impressed that they will be offering the event next year! *Way to go Colwich!*

The Colwich Community Library is accepting donations to expand the Library to add a children's room in honor of Nancy Maus, former Library Director. Donations are tax deductible. For more information contact Joanna Kraus at 796-1521.

There are four events coming up to take notice of: Citywide Garage Sales-April 29th; Prescription Drug Drop off-April 29th at the City Building from 10 am to 2 pm; Citywide Clean-up May 6th at the Public Works Building from 9 am to Noon; and Hazardous Waste Clean-up May 6th at the City Building Parking Lot from 9 am to Noon.

The prescription drug drop off is a new program this year and I hope you will take advantage of it. This will be the safest and most effective way to clean out the old expired drugs you may have sitting around.
